Mr. Enno H. Knoche
Deputy Director
Central Intelligence Agency
Washington, D.C. 20505

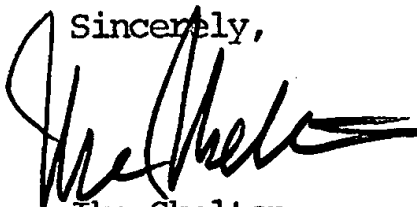

Dear Mr. Knoche:

Just a note to thank you for the very thorough and impressive briefing you provided during my recent visit to CIA Headquarters.

It was really an education for me and I am most appreciative for your offer to call you on matters concerning the intelligence community. I may very well do so on occasion and I am grateful for the opportunity your briefing gave us to appreciate the work you do.

With warm regards,

Sincerely,

Ike Skelton

Member of Congress
